

# VILLAGE OF VOORHEESVILLE

January 2026

Dear Sewer District User:

The fees paid for the use of the sewer facility during 2025 were allocated as follows:

Interest	\$ 10.28
Maintenance	381.96
Operations	267.76
<b>ANNUAL SEWER CHARGE</b>	<b>\$ 660.00</b>

It is my understanding that, as in previous years, the interest and maintenance allocations may be included as a tax among itemized deductions on income tax filings. For more information about that, you should consult an experienced tax advisor.

Sincerely,

Francine Rychcik  
Treasurer
